Legal Department.

It is proposed by the Labour Department to issue a direction requiring all producers, stockholders and persons holding iron and steel to furnish to the Collector of Banaskantha District the quantity of stock of iron and steel held by them in the Banaskantha District. Clause 11(2) of the Iron and Steel (Control of Production and Distribution) Order, 1941, provides that every producer or stockholder or person holding stock of iron or steel shall, on being requested so to do, by the Controller furnish to the Controller such returns and other information relating to the business as may be mentioned in the direction. Under the Government of India, Ministry of Industry and Supply Notification, No.I.I(1)-~~xx~~ 1(106), dated the 8th March 1948, issued under sub-clause (a) of clause 2 of the Iron and Steel (Control of Production and Distribution) Order, 1941, the Central Government have authorised the Provincial Iron and Steel Rationing Officer, Government of Bombay, to exercise all the powers of the Controller under sub-clause (2)(b) of clause 11 of the said Order within the Province of Bombay. As required by the said clause 11(2) a return is to be furnished to the Controller i.e. the Provincial Iron & Steel Rationing Officer, Bombay, so far as the Bombay Province is concerned. It would not, therefore, be in order to specify in the direction under clause 11(2) that a return should be furnished to the Collector of Banaskanth.

2. A revised draft direction in place of the Labour Department draft at page 133 ante, is sent herewith.
